

END USER LICENSE AGREEMENT (EULA) FOR FAPEC EVALUATION AND FREE SOFTWARE

PARTIES

On the one hand, **DAPCOM Data Services S.L.**, whose registered offices are at Esteve Terrades 1, 08860 Castelldefels, Barcelona (Spain); and

On the other hand, **the User**, acting on its own behalf,

Those appearing, as Parties to the present Agreement, recognise in each other, in the representations they hold, sufficient capacity to enter into this agreement.

RECITALS

- 1) Whereas DAPCOM Data Services S.L owns exclusive rights of exploitation of the FAPEC data compression software which is protected under a patent (US 9,002,913 B2)
- 2) Whereas User wishes to obtain a license for the use, on a non-exclusive basis, under the terms and conditions established by the present Agreement, which will be governed by the following,

COVENANTS

1. Use subject to authorization. The Software is protected by the national and international legislation applicable in Intellectual Property, according to which its use is subject to the granting of an authorization.

2. Granting of License of use. Subject to the terms of this Agreement, DAPCOM Data Services S.L. grants the User, during the Term, a limited, revocable, non-exclusive, non-transferable, non-sub licensable license to **install and use the Software on a single computer for a period of 30 days** after downloading of the Software (the "Evaluation Period") **for the sole purpose of evaluating the Software**. In the case of Decompression-Only Free Software, the "Evaluation Period" is 1 year. **User shall not use the Software in a production environment**. User may only use the Software for its evaluation solely for Customer's own internal business purpose in accordance with the Software documentation and other terms and conditions of this Agreement. **User's right to use the Software shall lapse at the end of the Evaluation Period and, at that time, the Software will then become inoperable** (except in the case of Decompression-Only Free Software). If the User desires to continue using the Software, another licensing agreement with DAPCOM Data Services S.L. shall be pursued. Full commercial licenses may be requested to sales@dapcom.es.

3. Restrictions of Use. User shall not (a) modify, adapt, alter, translate, or create derivative works from the Software; (b) sublicense, lease, rent, loan, sell, distribute, make available or otherwise transfer the Software to any third party; (c) reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code for the Software; or (d) otherwise use or copy the Software except as expressly allowed under Section 2 above. User may disclose to third parties or through publication the results of performance/benchmark tests run on the Software, but DAPCOM Data Services S.L. should be informed by providing the link or publication to fapec@dapcom.es.

4. Validity of the license. This Agreement is effective upon acceptance by User and shall continue until expiration of the Evaluation Period (30 days) unless sooner terminated by DAPCOM Data Services for any reason whatsoever. DAPCOM Data Services S.L. may, in its sole discretion, provide User an extension to this Evaluation Period for the sole purpose of the evaluation activities of User under this Agreement. The Evaluation Period for Decompression-Only Free Software is 1 year, after which the User may request a new License.

5. Confidentiality: DAPCOM Data Services S.L. may disclose to the User certain information regarding the business of DAPCOM Data Services S.L including the Software and technical, marketing, financial, employee, planning, and other confidential or proprietary information of DAPCOM Data Services S.L ("Confidential Information"). Any information that

User knew or should have known, under the circumstances was considered confidential or proprietary by DAPCOM Data Services S.L., will be considered Confidential Information. User agrees (a) not to disclose Confidential information to any persons outside its organization, except to its consultants or agents who agree in writing to protect such Confidential information as required herein; and (b) to use the Confidential information only for the purpose of evaluating the Software.

6. License price. The evaluation license covered by this agreement is free during the evaluation period described in Section 2.

7. Support, maintenance and updating. DAPCOM Data Services S.L. has no obligation under this Agreement to provide any support or consultation concerning the Software provided. However, DAPCOM Data Services S.L. may, in its sole discretion, provide User with certain support and consultation free of charge to assist in the evaluation activities of User under this Agreement. The furnishing of such support or consultation will not subject DAPCOM Data Services S.L. to any liability, whether in contract, tort or otherwise.

8. Intellectual property rights. All intellectual property rights on the Software, as well as on other any elements incorporated into the same and/ or to the materials and attached documents, whether printed or electronic format, belong to DAPCOM Data Services S.L. and are protected by the laws and international treaties regulating intellectual property rights. Except for the right to use granted under the terms and conditions set forth in this License Agreement, the User is not authorised to make any other use of the Software. In particular, it is expressly prohibited to the User to grant sub-licenses, rent, sell, or transfer in any other form the License of use obtained hereby.

9. Limited warranty. DAPCOM Data Services S.L. does not guarantee to the User that the Software is free of errors, with the proviso of commitment of correction of said errors on the terms specified above, nor does it guarantee that the Software meets the requirements and/or needs of the User when purchased.

10. Damages. DAPCOM Data Services S.L. shall in no case be responsible for damages of any kind, whether direct or indirect, that may result from the installation, execution or use of any form of the Software. In any event, DAPCOM Data Services S.L.'s responsibility will be limited to the amount satisfied by the User for the License.

11. Termination for breach of contract. DAPCOM Data Services S.L. can terminate this Agreement by means of a simple written notification to the User, in the event of breach by the User of any of its terms and conditions.

12. Validity and possible modification of the stipulations of the License. In the event that the agreement or any of the terms and/ or conditions of this License is declared null and void, such annulment shall not affect the remaining stipulations of the agreement, which will remain fully in force.

13. Governing law and jurisdiction. This License of use shall be interpreted and enforced in accordance with laws of Spain. The Courts of the city of Barcelona will have exclusive jurisdiction to know and solve any dispute that might arise between the Parties related to the interpretation, execution and resolution of this Agreement, both Parties accepting to submit to the said jurisdiction, with express waiver to any other jurisdiction that might be available to them.

In witness hereof, the Parties hereto agree to this Contract of License of use.
